(PBS Digital Studios)

[laughs]

-or maybe I think briefly about making one of those quinoa breakfast bowls that are so hip right now, but my lazy temperament, or my belief that I'm running late pushes me to choose the 90 minutes in the microwave option.

But this principle says that if an- that pppt.

pppt. pppt. pppt. pppt. pppt. pppt.

[Hank and crew laughing]

There's a way to say it, but I'm no gonna get there.

[offstage] Wow!

As you osteoblasts are continuously-

AND FIRE EXPLOSION!

[offstage] And scientists in the audience are like 'Ah ha!'

(Crash Course Philosophy Intro)

[Hank laughs] Did you say osteoblasts? I'm here! I'm here!

But when you think about it, the issue of who is who, isn't really that much more clear cut in real life.

[laughing]

[pause]

Oedipus killed a stranger in a fit of rage, who turned out to be the- ... something

who is who, hah!

To get up off the couuuch? Cowwwch.

[continues like a bird] hah! hah!

After Bruce Wayne was reported dead-de-deh.

So then there's contemporary Australian morophilosopher,

[in a funny voice] morophilosopher.

So if you look at the bundle that is me, now, compared to the bundle that my mom and dad brought home from the hospital, they'd be (incoherent noise).

Life was like that ep- mm mmn mmmnaahhh!

[offstage] Right!

[in monotone] I am my own lies.

That was a whole, that's a whole new problem.

Certain points to make the chainmail.

I've nev- I feel like I've never had that particular problem before.

[crew laughs]

[laughter]

I don't- I don't understand what this means.

[offstage] Uh oh!

Well, you'd still meanba- you'd still meebaberba.

Nnnnehhblalaa

Not only that, you might say Batman is the very essence of Batman.

It says that personal identity persists over time, because you remain in the same body from birth to death.

Bibibirth thhto death.

Pppt.	But, political libertarians are all about freedom from government informa-- and formation (snickers) Don't tell me information, government!
Rrrrrww, rrw, rrw.	
It would mean that fully rational, healthy, functioning adult humans might not have personhood, just because no one happens to care about them.	And next time, we're going to think about these issues some more with some helps from one of my favorites kinds of potential persons. Ah.
[awkward pause]	My lemonade makes me salivate. (slurps) Ah! (Laughs) Hope we got that one on camera.
Except themsellvvvves???	(Crew) Yeah!
	(Laughs)
[offstage] But if you're not a person, yeah, if you're not a person, an you declare personhood on something?	
Ohhhhh, oooh! Then no one's a person!	If you value quality of life, than you don't think there's something inherently valubout-- valublout. (audible breath)
Mmn, if you start with no one being people, then no one gets to be people.	Nor are humans in persisted vege-vege ta-ta-ta-ive
But others are convinced that there are some parts of the human body experience that simply can't be boiled down to brains. [softly] don't boil brains.	And the same-- (growling noise)
To speak English rather thanp. Rather thanbebubblehblehbleh	ppt.
These five factors are known as the cognitive criteria-(burp)	So a 26 week old fetus would have less personhood than a 34 week old fetus which would have less personhood than a newborn baby which would have less personhood than a toddler. Print!
	(Crew laughs)
(Burp)	Than the fact is there is no box-- nope. That's not what it says. (snickers)
Bu-mmmmn.	
	Ppt.
M-(burp)	
	Hard to deter-- hard d-- hard determinism. Hard determinism. Hard deter-- Hard-- (Laughs)
M-(burp)	(Crew laughs)
Think about-(aborted burp)	
Two different kinds of stuff (burp). Do that again?	Don't put that in the outtakes, I'm too embarrassed. (Laughs)
(Crew) Yeah.	Epicurus argued that nonexistence is not only stupid, but it gets the--

(Crew laughs)

That's not what it says.

(Laughter)

I said that wrong.

(Laughter)

Nonexistence is stupid! Let's not do it!

(Laughter)

(Off camera) You're stupid to not exist. What're you doing?

Stop not existing.

(Laughter)
