Phil: The sun is a star... and that's all there is to it. And we're done.  
Today you learned... \*laughing\*

Crew: \*Laughing\* That's a wrap everybody

\*Intro\*

(0:23) Phil: here we go, alright... The rollercoaster begins

(0:27) Phil: I blurched my cheek there too

Crew: \*laughing\*

(0:33) Phil: Everything'll be great from here on in

(0:37) Phil: Wide Sponge Bob Wide! That kills with eight year olds

(0:45) Crew: \*Laughter\*

Phil: I'm so dreamy! (in a high pitch)

(0:48) Phil: Take me to this Houston.

(0:50) Phil: This makes it extremely difficult to see... \*burp\* ....  
urgghh curses

Crew: \*laughing\*

(0:56) Phil: Notice that the Earth's axis is tilted... that is it's not  
straight up and down... I don't know how I was doing that... where  
was I going with that? It's not... It's not straight up and down...

(1:09) Phil: gnehh

(1:11) \*Phone goes off\*

Phil: \*huffy laugh\*

(1:12) Phil: A mere 0.00005% \*does a quick re-count\* did I do that  
right? I'm counting on my fingers and I'm not sure I did that right....  
wow.

Crew: \*laughing\*

(1:23) Phil: Words that have similar etilo... etimelogicblahm  
syegemem...

(1:28) Phil: Sky..er..

(1:29) Phil: Space was too big and random encounters were raa-  
are...hmmm. Lhmmm.

Crew: \*laughing\*

(1:34) Phil: And Johannes Kepler \*raspberry\*

(1:39) Phil: It's hard to look natural... on purpose...

(1:41) Phil: \*Schwarzenegger impression\* If we're ova here we look  
down over zah entire lit side of zah moon, it looks fully illuminated  
or full

(1:1:48) Crew: Oh it's just my eye... okay good...

(1:51) Phil: Wasn't a big smile but it's a smile...

Crew: Good energy

(1:54) Phil: \*Goofy-esque laugh\*

(1:55) Phil: They can also be used during day on... during the day  
on hikes, during the day... on hikes doing the... and the thing...  
with the stuff.

(2:02) Phil: And that's why we have \*Phone alert\*

(2:07) Phil: If I panic it's because I'm scrolling off the edge

Crew: \*laughter\*

(2:10) Phil: Here's the one, here's the take

(2:12) Phil: A star... emyah mnya

(2:14) Phil: Bedoo bedooo

(2:15) Crew: You're doing a great job... mkay this is all...

Phil: I am.

Both: \*laugh\*

(2:19) Phil: \*quiet mumbling\*

(2:21) Phil: I'm doing that Popeye thing again. Ackackack If you  
space even the most cursors attention

(2:26) Phil: We've learned of other forms of invisible light.....

Crew: \*Laughing\*

(2:32) Phil: (corny radio announcer voice) That brings us to out first  
edition of Focus On... (normal voice) Who are we, why do we smell  
funny?

Crew: \*Laughing\*

(2:43) Phil: \*poppoppop\*

(2:44) Phil: The fourth, the vorth

Crew: You can start with "Since"

Phil: Okay... sinth

(2:49) Phil: This stuff is so much more complicated than I'm making  
it... We're not *quite* wrong, we're skirting the edge...

(2:56) Phil: \*Goofy-esque laugh\* Alright, I can take instructions!

(3:00) Phil: Gravity is also... attractive

(3:03) Phil: FIRMLY in the history books...

(3:04) Phil: Through a complicated series of steps that I'm not going  
to go through now because oh my god would that have tripled the  
length of this episode.

(3:12) Phil: Should Mercury be stripped of it mthudededah...sveh?

(3:16) Phil: ... finally

(3:18) Phil: Good thing I love the sound of my voice

(3:21) Phil: But these days! Get off my eye piece!

(3:24) Phil: Incidentally... oh, fwah, INcidentally

(3:26) Phil: This episode was written by... meee Monty Burns!
