JOHN

3. 2. 1. Hi I'm John Green. This is Crash Course World History and today we're gonna return to two of our favorite themes: the creation of nation states and the role of war. HAHAAH. I mean is the fly gonna be in the shot? Like that one was very close.

BACKGROUND

Well let's kill him.

JOHN

I don't know where he... I mean he's- he's- he's on the move. He's not a... he's not a quiet relaxed fly. Did you see him in the shot Zelaya?

BACKGROUND

Like this one that's dead on the floor here.

JOHN

Yeah, he's not like that dead one. He's got way more energy. It's good, I like that joke that I didn't write. Okay. It's not about whether to fast during Rom... Rom Kippur or Yamadan? [laughing] It's not about... Issued the Balfor. Balfor. Balfor? Bal- Bal

BACKGROUND

I think Bal.

JOHN

Bal. In 19... With the help of Jewish militias... With the help of Jewish militias the British... With the help of Jewish... Jewish militias of the British is not easy for someone with a lisp. With the help of Jewish militias... With the help of Jewish militias the British brutally suppressed the Palestinian revolt... With the help of Jewish militias the British brutally... With the help of Jewish militias the British brutally sup... With the help of Jewish militias... Oh, God. Changed territorial...territory...territor-ally...territorially?

BACKGROUND

Yeah. Territorially.

JOHN

Territori... Terri...Huh?

BACKGROUND

Territorially.

JOHN

Territorially. Oh, I got my nose. Oh, oh, itch. Okay. Oh boy, hold on. I gotta gotta sneeze. Achoo!

BACKGROUND

Oh!

JOHN

Sorry, that was very loud for you, I know.

BACKGROUND

Yeah. Yep.

JOHN

Alright. So the ba oh! Nope. I had to boo boo boop. I had to have a third word. So the next... I'll say 'So the next.' So the next... But pull, pull faster. Pull faster. Pull it the 'suh' in 'sew'. 3... Look it's a collection of infidelitous American presidents. An open letter to Bill Clinton...

BACKGROUND

Infidelitous? Is that a word, what?

JOHN

I think 'infidelitous' is funny because it's-

BACKGROUND

[noncommittal noise]

JOHN

Cause it's a made up word, but I'll do philandering. Greenland, Normandy, and Kiev during the so-called Viking Age. Between 17... [BLEEP] Does that work, otherwise?

BACKGROUND

Yeah, let's do it. One without the [BLEEP].

JOHN

[snickering] [cough] Are you sure?

BACKGROUND

Yeah.

JOHN

I was right though, just to be clear.

BACKGROUND

I was ri-

JOHN

No, yeah. We agreed that I was correct. Perfect. Umm... That's why we moved it over here.

BACKGROUND

Alright.

JOHN

Dahhha! I lost but won! I was wrong-

BACKGROUND

I be straight wi-

JOHN

but I made you believe I was right.

BACKGROUND

No, I don't believe it. I'm just ready to move on.

JOHN

Ah, yeah. That's even better.

BACKGROUND

[chuckling]

JOHN

It's- I still won. That's the important thing. Did no one fix my hair before this started? Was it was it all low like Billy Ray Cyrus?

BACKGROUND

No.

JOHN

Was it like this?

BACKGROUND

It looked largely likes it looks now.

JOHN

Did it look like this? This is how it's supposed to look.

BACKGROUND

Yeah, that's right.

JOHN

Okay.

BACKGROUND

It's been mostly like that. No- [not Stan]

JOHN

Faroe Islands. This is so obscure.

BACKGROUND

[laughter]

JOHN

The two hundred and twenty thousand people living in Iceland, and the eighty thousand living in Greenland. What an accomplishment. God. All-

BACKGROUND

Also-

JOHN

All told, all told. They all told, they, they invented a civilization almost as big as Columbus, Ohio.

BACKGROUND

Not nearly.

JOHN

AHAHAHAHA. And we call it Latin America... I don't know why. Europe. Now, within the categories of bot Sunni and Shia, there are further divisions and more sex. But the basic division- I said sex. Um, it's, that's, you want to nail the 't' on that one.

BACKGROUND

Yeah.

JOHN

So Reza Khan became Reza Shah, and then he attempted to turn Persia, which he... [high pitch] Persia!

BACKGROUND

You're saying The History Channel has it wrong. [laughing]

JOHN

[laughing] Just stunning! M- Mosaddegh? [I still can't say it right. Mosaddegh?](#)

BACKGROUND

You do.

JOHN

[Mosaddegh?](#)

[BACKGROUND](#)

Everyone knows who that is. Maybe you should just...

JOHN

No. Your, y- y- you, you know better, yeah. I trust you more than I trust Stan.

BACKGROUND

Mosaddegh.

JOHN

Mosaddegh. Most history books say that the British and the CIA engineered a coup to remove Mosaddegh from office. And it's true that they tried to engineer...

BACKGROUND

That wasn't either of them.

JOHN

Mosaddegh?

BACKGROUND

Yeah. Uh huh.

JOHN

-Olla. [gargling] Khomeini.

BACKGROUND

Khomeini. Khomeini.

JOHN

Khomeini. Khomeini.

BACKGROUND

Ruholla.

JOHN

Ruholla.

BACKGROUND

Yeah.

JOHN

Alright. Revolution wasn't universally popular. For instance, it was opposed by a particular Shia cleric named Ayatollah Ruholla Khomeini. Khomeini. Khomeini. [gargling] It was opposed by a particular Shia cleric named Ayatollah Ruholla Khomeini.

BACKGROUND

I think you can say the 'k'.

JOHN

Khomeini?

BACKGROUND

Yeah.

JOHN

No. How would you say it?

BACKGROUND

Khomeini.

JOHN

Khomeini. [gargling]

BACKGROUND

But wi- with the 'k'. Just a little little-

JOHN

So I think it's unfair to say that a majority of those who took to the streets in late 1978 were motivated by a fundamental vision of Islam.

BACKGROUND

I think fundamentalist is important there.

JOHN

Ah, yeah. Thank you. So I think it's- He was at the time... Paris in exile, as opposed to living in Paris not in exile. [laughing]

BACKGROUND

[chuckle] He was.. living a plebeian lifestyle. [laughing]

JOHN

[laughing] I just... He was young! HAHAAHA. He was in love! It-

BACKGROUND

Mmm...

BACKGROUND

Accomplished guy.

JOHN

No.

JOHN

Huh?

BACKGROUND

[laugh] It wasn't great.

BACKGROUND

Accomplished guy.

JOHN

Alright, let's do it again.

JOHN

Yeah. Yeah, yeah, yeah. God. [laughing] He was hanging out with Hemingway and you know how it is. Um. [chuckles]

BACKGROUND

So yeah, huh.

JOHN

Okay. Um I- do I need to say that he was living in Paris? I guess it's good. Um.

BACKGROUND

Just in the coffee shop culture...

JOHN

HAHAHAHA. Now if democracy is only about holding elections, then this new Iran was a democracy. Iran has elections, both for president and the Parliament, known as the Majlis. Sharia law in a particularly harss. Harss? History often focus on the Tokugawa period because it's got ninja and samurai. But much of the foundation of Japanese culture dates to the Heian period. Hei-Hei-

BACKGROUND

Heian.

JOHN

Heian. Women like Murasaki Shikibu lived lives of very... Shikibu?

BACKGROUND

Shikibu.

JOHN

Sh- Shikibu. Women like Murasaki Shikibu lived constrained cloistered lives.

BACKGROUND

Murasaki. You said 'saku'.

JOHN

Murasaki Shikibu. The women like Murasaki Shikibu lived constrained cloistered lives. Murasaki?

BACKGROUND

I think you said 'saku' that time.

JOHN

Bu- The women like Murasaki Shikibu... Did I say it right that time?

BACKGROUND

Yeah, you did!

JOHN

Murasaki Shikibu. But women like Murasaku- Murasaki Shikibu. Crash Course is filmed here in the Chad and Stacy Emigholz Studio in Indianapolis. And it's made possible thanks to your support through subbable.com. Was that alright?
