Hello, and welcome to "Games with Hank." I'm Hank, and the game is Super Smash Brothers Wii U. In addition to Hank, we have BUTTS, SSJKSIC, JEFF, KA- I'm Jeff... KATELYN, Matthew GAYDOS, KEVIN (who I'm married to), HANK (who is Stefan), and ARANDA (who is Aranda).

We should all be the Wii Fit Trainer.

Everyone - oh, we - okay, we're gonna play a match where we're all the Wii Fit Trainer.

I agree that this is a good plan.

Oh, jeez.

Everyone, migrate now. *laughing*

Oh, look at this adorable Pikachu.

I don't wanna be a man.

Awww, Pikachu's got a headband.

Ohh, come on Pikachu, you have to be - you have to be a Wii Fit trainer.

Just one game.

I can't find it.

No, I don't wanna be.

It's where everyone is!

I can't find it either!

What the frick is Shulk doing?

Kevin! *laughing*

Ohh, I can change my...

Well, that's worth a thousand--

Alright.

Nooo, I don't wanna be a yellow man!

Women vs. men, let's go!

Yoga! Yoga! Yoga! Yoga!

Which one am I? I'm Jeff. Okay.

Oh, jeez.

Ahhhh!

... really fast.

I predict green is going to win.

Everybody - everyone do corpse pose.

Corpse pose?

Downward dog!

Get the...

Get the hammer! How do I get the hammer?

I don't understand what is happening.

That doesn't seem very peaceful.

I thought I was Jeff this whole time.

No, Kevin, I'm Jeff.

Hahahaha. You're Kevin. Hank.

Stop meditating around.

Stop kicking me, me.

Ka-ka!

Video games don't work out.

WHAT THE FRICK IS HAPPENING?

Oh, what is happening?

I don't know where I went!

We all look the same.

What is this? What the frick is this?

Wow.

I'd seen that.

I have a lightsaber.

Jeff!

Okay, I'm dead.

You died already?

Yes, I died already.

You're out, out?

Yes.

What?

I thought I was Jeff for the first half.

That would - that would.

I jumped off.

Ahh, who jumped?

Ahh! I have a lightsaber.

Wheeee!

Okay everyone.

Ka-ka!

Uh-oh, uh-oh, uh-oh, come back, Wii Fit Trainer.

I keep thinking Hank is Hank but he's not.

Yes, excellent stealth. So much yoga.

So much how am I alive?

Go, go, go!

I want it. I want it.

I gots it.

Why, why?

Ohhh.

I just - I'm so happy about my lightsaber; it's turned out really well for me.

How do you use the stuff once you grab it?

Ohh, that sucks. Wait, am I still alive?

Yes - still alive, 95%!

What?! I threw a lightsaber at you. How are you still alive?

No, I need to meditate.

Nooooo, no, no, everybody!

Oh, nooo!

OHHHHH! So many poses!

OH! We got trained!

So many poses!

I'm gonna get you.

A basketball? Or a soccer ball?

Don't come back.

We don't know sports.

Jeff, stop it.

Don't come back. How about, instead, you just don't come back.

I got a lightsaber now. Now, I know the power you felt earlier.

I did feel a lot of - it does - it extends quite a lot.

It does.

Did you just throw a soccer ball?

Yeah, I think.

Oh, I kicked something and it made me dizzy.

I think that's how you lose.

Oh no, my hula-hoops.

Cheese! Oh, it's pie, it was pie! I love pie!

Why did you get pie?

Ohhh.

It just fell out of the ground.

Why is that ice?

I was meditating, you can't throw balls at someone who -

You threw a shell at me.

I'm so happy that worked.

All right, who's 132% Wii Fit Trainer? I need that person.

Am I still playing or am I dead? I can't tell.

Why am I attacking an invincible person???

This is a bad decision.

Ooh.

Ohhh, Jeff is going at it.

Jeff vs. Gaydos.

What, really?

Jeff vs. Gaydos!

Ahhh, fire!

Fire!

Hula-hoop fire!

What happened?

Yoga gives you tails.

Oh man, I have no idea how I'm alive.

Yoga gives you tails.

Wow.

Come here, du--gahhh, why is he running away?

Get him.

Ohhhh, uh-oh, uh-oh

Hey, Jeff's gettin' good.

--yoga mat?

Ahahahaa ohhhhhh, ohhhh

Jeff!

What is that thing?

Nooooooooooooo!!

YES!!

--bein' nothing!

Oh man.

Check me out. You can't take a piece of this.

Clap for me, other yoga instructors.

So we are all good losers, whereas Hank is not a good winner.

Thank you for watching this episode of Games with Hank, I have been Hank, and the rest of these people have been the rest of these people. Thanks for pushing like buttons if you're interested in that, and DFTBA.
