Hank: Hello, and welcome to Games with Hank. I'm Hank, this is games with me and by me, I mean Karem--

Karem: Hey guys!

Hank: --and Katelyn, who are playing in the final of our Super Smash Bros Wii U Tournament.

Everyone: Whooo!

Hank: This is the first time--this is the first day we've had this game, and we have stretched it out into a really epically long Games with Hank series, 'cause we just can't show you all of it at once. We've had a really good time tonight, we--and this is our last--our last thing we're gonna do--

Karem: And if you guys want us to do more in the future--

Hank: Yeah, let us know in the comments and also with the like button, and now, because Karem is really good at this game, I'm going to be spending most of the episode--

Karem: Pestering me.

Hank: Pestering him and making sure that--just to handicap, really.

Karem: Yeah. He's just gonna make noises right into my ear.

Hank: And by noises, he means I'm just gonna lick the inside of his ear.

Karem: Don't do that.

Hank: It's gonna make a noise. At least to him.

Karem: I know your tricks, though.

Hank: Yeah, you've been watchin' all the game tapes. Oh, Sheik is so fast, just comes out of nowhere! And Karem doesn't make mistakes. (?~[1:13](#))
