Hank: Hello--

John: Hello and welcome to Games with Hank. He's Hank, I'm Other Hank.

Hank: --and we're gonna play Super Smash Bros.

John: Smash smash!

Hank: We're brothers.

John: Yep.

Hank: And this is Smash Bros. So this is Smash Bros Brothers, here on Games with Hank.

John: I don't know how to play this game, so I have a huge disadvantage.

Hank: I'm gonna beat him and it's gonna be fun.

John: Let's smash.

Hank: Let's smash.

====Game 1====

John: Alright, so does it matter who I pick?

Hank: I mean, it sort of does. Some of the characters are stronger than other characters.

John: Who's strong? You've gotta pick someone who's really weak, 'cause I'm playing Yoshi.

Hank: Yoshi's good.

John: Yoshi!

Hank: I'm gonna be Wii Fit Trainer. Wii Fit. Oh, you checked out your own butt. I'm not sure what I'm doing right now. Oh, he shoots a little thing. Oh, you've got a lightsaber, John. I'm in trouble. I'm in trouble, you are winning.

John: How do I jump?

Hank: Oh, another lightsaber, lightsaber duel! Uh, you jump by pushing up or by pushing the grey buttons. Oh man, you knocked my lightsaber out of my hand. Oh, I missed you. Yeah, good, hey, a soccer ball. I hit it really hard and it went away. Another--ooh, ooh, ooh. He's great. Alright, this is a lot easier to follow than the eight player Smash Bros we played here on Games with Hank. Where'd I go?!

John: I think I'm losing.

Hank: Uh, you're actually winning. You're doing quite well. Apparently--

John: Actually

Hank: Apparently I need to hit the - You just killed me!

John: Oh, super smash!

Hank: You just killed me man. This thing, this floating ball here...

John: Should I try to get it?

Hank: Yeah, you should try to get it.

John: I just got it.

Hank: You have to hit it a bunch of different times. Now you hit B and you'll do an awesome attack, and you'll be flying around. You can keep flying around and hitting me - you're just a giant dragon Yoshi with Pegasus wings and it's amazing.

John: Eat my fire!

Hank: Basically. Uh-

John: What happened??

Hank: You fell down. You fell down the hole.

John: Not realistic!

Hank: Why isn't it realistic-

John: I never fall down the hole.

Hank: You don't ever fall down holes?

John: No!

Hank: Okay. I don't know what I'm doing with this Wii Fit Trainer guy - ooh, nice hit!

John: Suck it... Jeff! That's not good for me. That's not good for me either.

Hank: Oh, if you push up and B, you can sorta do like, save throws. Oh, you hit me hard. Oh man. Oh man!

John: How aren't you dead yet?

Hank: I just died, you just killed me.

John: Well then why isn't this game over?

Hank: Oh oh, it's the number of times each person dies. You figured out how to block, look at you. I don't like this, curve place.... What did I just throw? This tiny thingy? Oh. Guess what John-

John: Time just got so slow.

Hank: Time just got slow. It got slow for me too though, I don't generally understand - up and B, up and B!

John: Up and B, up and B...

Hank: Oh!

John: Who's winning?

Hank: I don't know who's gonna win this. One of us. Or it's going to be a tie. It could also be a tie, John.

John: I think you died more times than I did.

Hank: I feel like I got a lot -

John: I also showed a lot of spirit (?)

Hank: But I won.

John: Nooooo

Hank: Well you-

John: Injustice!

=====Game 2=====

Hank: You did extremely well.

John: Is the Wii Fit trainer bad?

Hank: I think, no, I think the Wii Fit trainer is fine.

John: You need to play with someone who's worse then, cause I wanna win.

Hank: Oh, well that - Okay let's try Pac-Man.

John: Pac-Man? I don't know, that's scary. Up and B, I don't know how to do that.

Hank: Up and B. What am I doing? I don't know what I just did.

John: What's your... What's your... What's your game man?

Hank: I don't know. I just tried to pick you up and throw you but you broke out of it. Oh careful.

John: Up and B, up and B!

Hank: Or is it up and A?

John: I don't know. But I lost. And...

Hank: It's up and B. It's up and B, I was right. Ooo. Yea, like that.

John: You did and up and B there.

Hank: Oh, you just threw a poke-ball, that was good... a good idea. Im falling, I'm falling! I'm not falling. Wow, there was... that Snorlax just came down right in the middle of all of that.

John: (softly) What's a Snorlax?

Hank: It's a Pokemon, of course. You know, duh.

John: (softly) (?)

Hank: Yea, I know. We're too old for that. But, I tell people that all the time. You died and I don't know why, but you did. You gotta avoid the edges.

John: Will you just acknowledge that there's injustice involved in this game.

Hank: I will acknowledge that there's injustice involved in the world. Just had some kind of magical power. Oooh a star thingy. I didn't (muffles) (?). Alright, just punch that Yoshi. Punch a Yoshi, punch a Yoshi, punch a Yoshi, punch.

John: You're at 80 percent, I'm at 7 percent. I don't like this game. It's stupid, and i don't like it.

Hank: Uh-oh. Now Pacman's got the thing! IM GIANT PACMAN and i ate you.

John: Up and B.

Hank: I ate you again.

John: Up and B. Up and B. Up and B.

Hank: This is weird.

John: I'm throwin' soccer balls.

Hank: I'm just holding... some kind of explosion

John: Up and B. Up and B.

Hank: I killed us both!

John: Or, did I kill us both.

Hank: I think I killed us both.

John: Pacman has 0 percent right now.

Hank: Man... that's, that's an attack I can do.

(?)

John: Up and B. Up and B. Up and B. Up and B. Up and B.

Hank: I think you might have to hit the buttons at the same time, but I'm not sure. Ooh, there's a bouncy thing. Ooh, fire sword!

John: You don't get to play anymore! I have a fire sword now! I am your God! Come for me! You and your Up and B. It's a huge advantage to have Up and B in your arsenal.

Hank: It is a bit of an advantage, but you are doing well with your fire sword. What's in my hand? Oh, it's a Pokeball. I hit you in the face with it. I don't know what that thing is. Ohh, that was bad.

John: Up and B. Up and B, Up and B, Up and B, Up and B, Up and B, I mean, all I can do is throw a soccer ball.

Hank: I don't know what that's about, John.

John: Ohh, I think it's Yoshi. Yoshi might be the problem. Yes, I think we all know who won there. Ay-yay.

Hank: Ay-yay-yay.

John: Pac-man's very good, that's one thing.

Hank: Okay, well, I'll try to not be Pac-man.

Alright, so I'm Jeff. Oh, I can charge up my arrow shot. Why are you wearing red, Luigi, that's very confusing. Oh!

John: Oh, that wasn't cool.

Hank: You can double jump by the way. Wow, I just pulled a really big something out of my stuff. Whoa, what just happened? That was neat, I liked it, I didn't understand it, but I liked it. Ooh.

John: Up and B. Nope. Nope. Hank won.

Hank: You also have to jump. So you have two jumps, and then you can Up and B, and then you can get a pretty big distance that way. Whoaa, you wanna fall on one of those barrels, apparently, because it shot me over.

John: Oh, now I'm dead again.

Hank: Go into the barrel. You missed the barrel. You wanna go into the barrel. The little barrel there?

John: Yup.

Hank: You wanna go in that.

John: 'Kay.

Hank: Alright. Or not.

John: I'm quite content here, actually.

Hank: What have we done?

John: I mean, I'm at 0%, I think this is my best decision available to me.

Hank: Okay, I'm gonna try and come back over so we can continue fighting. Okay, good job.

John: (?~[8:27](#)) had to be such a jerk.

Hank: Ooh, good, well done. Oops, oops, oops, oops.

John: Suck it, Jeff.

Hank: What am I made of? What is this thing? What is that? Is it, like, a reflecty thing? I don't know.

John: That's gonna hurt me.

Hank: Whoof. Whoof. Well done. Whoof, well done again, oh my goodness.

John: You're at 100%. Or is that--wait, is that how injured you are?

Hank: That's how injured I am.

John: Oh. You're very injured.

Hank: I'm very injured. 100% is quite a lot.

John: You should be concerned. Oh.

Hank: Oh, you just got shot. You just got shot over here. We're over here, John. We're tiny. We're tiny and far away. You're smoke bombed.

John: You're at 113%, I don't understand how you're alive.

Hank: I know. Well, I don't know, but I'm going over here to this thing, 'cause it looks like fun.

John: I, instead, am gonna die. Someone explain to me how someone can be 113%

Hank: Give me that, give me that stuff, whoaaa, I just got Bullet Bill'd.

John: Up and B!

Hank: Oh. Uh-oh. Now I'm stuck. I'm stuck over here, John. Boing, hello, welcome to me, I've got a bunny hat on! I'm very fast now! Better watch out, I got a bunny hat.

John: This game is completely unfair, you've been at 114% forever.

I was just at 94% and then I died. I distrust--I mean, it's like, I don't trust in the values of the game.

Hank: There you go, you killed me, see, I died.

John: Once you got to 190%.

Hank: You had to hit me harder, you weren't hitting me hard enough.

John: Ohh, I barely avoided another fall.

Hank: It's fun though, right?

John: The first game was great. Not really.

Hank: There's a Pikmin on you, hahaha.

John: I don't know what that means.

Hank: It was just--oh, you killed it. You killed my Pikmin. Unacceptable!

John: Now I'm gonna kill all your Pikmin, whatever they are. They're done for.

Hank: You're up there.

John: Yeah, suck it.

Hank: Uh, we both died, I don't know how or why. So, that was interesting. I like this--this--uh--I don't know how to do anything right now with these little guys. But you're in an egg and something--somebody wants me to go over here apparently? Be careful with this thing, it's gonna try and suck you up into space, or not, it might (?~[11:16](#))

John: I don't wanna go to space, I don't wanna go to space!

Hank: I said be careful, John. I told you to be careful. But you were lucky, you survived. Hello? Apparently, we can fight up here. If you wanna.

John: I'm on fire.

Hank: You're on fire? Like a fireball on fire? We broke it. I wanna grab--I wanna--owwww.

John: Suck it!

Hank: Olimar. Or Jeff. Either way. Uh-oh, you have a gun. I have a gun.

John: How do I get up there?

Hank: Just jump. You gotta push, yeah, there you go. Like that. Thanks for coming. It's nice to see you. If you wanna come back up here, that'd be great.

John: Yeah, I have some regrets about coming.

Hank: Ohh, what's this thing? I don't know. Uh--ooh--uhhh--Pikmin. Pik--pik--pik--pik--pikimen! You died!

John: I had 119%, I knew that wasn't good. Only Hank can live at 119%, everybody knows that.

Hank: Ow. Oh.

John: Come on down, Jeff.

Hank: Captain Olimar! Ow. Ahh, don't kill my Pikmin. Ow. Ooh. Well. What is that thing? What is it? I keep picking it up and nothing happens.

John: Well, that happened.

Hank: Oh, I just punched you, that was a normal punch.

John: 101. That means you're halfway dead. Ohhhh, you're still not dead, amazingly. Jeff. He's got the power of survival. That's his magic power.

Hank: Ooh, I just bounced off the ropes. Uh-oh, uh-oh, Yoshi's got the thing. Push B. The red one. That's not it. The red button.

John: I am pushing the red button.

Hank: Oh, you are, I don't know what's going on. Maybe that's your special power? I don't think it's your special power.

John: Yeah, turning to a soccer ball. It's great. It's amazing.

Hank: It's an egg.

John: You're 146%, I'd just like to point out.

Hank: Just keep hitting B, just keep hitting B.

John: God, that s--153%, that's ridiculous! No one can be 153% dead. Yoshi, stop cheering for him. Alright, thanks for watching Hankgames.

Hank: Tha--yes. This is Games with Hank.

John: Hank, YouTube.com/hankgames, subscribe.

Hank: If you don't know what he's talking about, he took over my other gaming channel and now he's trying to push people over there from here.

John: It's great.

Hank: And it's completely unacceptable!

John: AFC Wimbledon.

Hank: I'm gonna turn this--thank you for watching and DFTBA.
